

# Pompositticut Farm Day Camp

## Financial Aid Request Guidelines

- Requests are based on a sliding scale of 10 – 50% reduction off tuition costs, based on demonstrated need
- The financial aid offered is for (one) 2 week session per camper
- Financial aid spaces are limited to the Day Camp program **only** which includes the Barn Yard Buddies program. *(Excluded are all Specialty & Equine programs)* Determination of sessions is based on availability.

## Documentation Required:

1. Copy of previous year's 1040 Tax return (Copy of first page only)
2. Copy of 2 most recent pay stubs from all employers
3. Fully completed & signed camp financial aid application form

## Process:

- Family interested in applying for financial aid can access the current year's application form directly from camp website
- Once fully completed it should be mailed with the required forms, documentation and registration form (no \$\$ is due at this time) Only fully completed forms & documentation will be considered for this assistance.
- Families may attach a separate statement explaining any circumstances they feel help us understand their need.
- The camp will consider the financial aid request based on a sliding scale of household income and family size.
- A letter will be generated announcing if the family is eligible for financial assistance, at what percentage and for which 2-week session. The applying family will have a designated period of time to accept the offer and send in the deposit at that time to hold their weeks and their subsidy.
- Once confirmed, agreed upon installment deadlines are determined and payment in full **MUST** be received for camper eligibility.
- Copies of all correspondence, applications, and financial documents will be filed and kept confidential at the camp office.
